New Year

John, Joan, Geoff, and Lisa along with all the staff at Cracker Print and Paper wish you and all your family and friends a very Merry Christmas and exciting and prosperous New Year.

Our special wish is for good soaking rain for all who are suffering from this most severe drought. It has been our pleasure to be of service during 2014 and look forward to continuing to develop our client relationships in the New Year.

A full “Bob’s Communicate” with all your favourites plus more news articles and extra special deals on and around the printing and publishing industry will be returning on the email & news stands early in the New Year.

The randomly selected winner of the **November Brain Teaser - \$50 Fuel Voucher Draw** was Toni of Belyando Produce Clermont. The answer by the way - The Eagle. The lunar spaceship that landed on the Moon of which the descent stage remains in the Sea of Tranquility.

*Our October Winner:
Matt Gregg from Metro*

“A special
thank you”

I was very excited and a little nervous on my return to Cracker Print and Paper seven months ago, having originally began my career at Harrison Printing Co (a predecessor of Cracker) some 50 years previous.

The warmth and friendliness of my welcome home by the McDonald family, staff and clients has been most appreciated and I look forward to strengthening our relationships during the years ahead.

Thank you most sincerely.

Bob Ryan

Business Development / Sales Manager
